

# Appreciation Awards 2026

## Before You Submit, Check:

- I've clearly defined the challenge
- My objectives are specific and measurable
- I've explained my strategy clearly
- My results include strong metrics (not just statements)
- I've focused on what makes this work stand out
- My entry aligns with the category criteria
- I've kept my responses clear and concise
- I've attached up to five pieces of static supporting evidence, and one piece of dynamic content

**If you've ticked most of these, you're ready to submit.**
